

## Coora 386/06

***Breeder's comments:***

This ram is the highest indexing sire with greater than 10 progeny on the Nov 15 2008 run and as a couple of people wanted to use him I have added him to the list.

This ram was voted along with Quamby Plains 134/05 and Coora 225/04 as a link sire for the performance sire program of the LAMBPLAN Users Group of the ACA. His Corriedale index ranks him as the 4th ram of the 06drop and visually the best of Narambah 109/00 sons. Came second to Coora's reserve senior champion at Sheepvention in the Lambplan Class at both the ASBA Bendigo show and at Sheepvention.
